Travel Insurance

Comprehensive travel insurance is strongly recommended to protect your tour investment. Recommended coverages include Trip Cancellation or Interruption, Baggage Delay/Loss, Medical expenses, and Emergency Evacuation/Repatriation. Some levels of coverage, including for pre-existing medical conditions, may only be available for purchase within a limited time window. Chandler Tours does not recommend a specific insurance provider, so check with your insurer for details and questions on travel insurance policies.

Required Travel Documents

Every traveler must have a passport valid through the full trip dates. It is the sole responsibility of each traveler to check the passport expiration date. Parents/Guardians are responsible for satisfying passport entry requirements for any accompanying minors.
